or by contacting Kevin or Katy Woytowich at 204-832-9529.

The harvest is plentiful but the workers are few...

TnT TEAMS

MORDEN/ WINKLER 2009

MANITOBA

August 14-23

Evangelism

Discipleship

Fellowship

TnT Teams Manitoba is an exciting opportunity for anyone who has ever desired to take part in a missions trip without traveling far from home.

In the heart of the Manitoba prairies, we will experience a true missions team experience as we lodge together, eat together and serve the Lord together.

The **Garden Valley Christian Fellowship** is an assembly that has recently started meeting together in Winkler Manitoba.

An annual fair, the **Morden Corn and Apple Festival**, which takes place in the nearby town of Morden will serve as an exciting backdrop for our evangelistic outreach.

This missions experience has been developed to be inexpensive opportunity *“for the equipping of the saints for the work of ministry, for the edifying of the body of Christ,” Ephesians 4:12*

Team members should be 18 years and older. Applicants under the age of 18 can also be considered for the team based on parental agreement, church references, and our own discretion.

The cost for each team member for the 9 day program is \$200.00. All meals and accommodation as well as transportation will be included in this fee. The fee does not include transportation to and from Winkler or personal spending team members choose to do during their time together. Payment will be made in cash at time of arrival to Kevin Woytowich.

Please pray about and discuss this opportunity with your own church leadership. If you believe that the Lord may be leading you to join, contact us and we will be able to discuss any questions with you or send you an application.

See back page for contact and application information.

Team members will have the opportunity to learn and labour in three main areas of ministry:

Evangelism

- The team will be taking part in children’s evangelistic tent meetings during the day as well as adult meetings in the evenings.
- The team will go door to door with gospel literature and outreach invitations.
- The team will take part in street evangelism during the Corn and Apple Festival in Morden. They will have the opportunity to make use of sketch boards as well as have access to various tracts and Bibles for distribution at the Festival.

Discipleship

- The team will receive orientation and training in various evangelistic methods.
- The team will have daily opportunities to put the things they learn into practice.
- The team will have the opportunity to enjoy daily Bible teaching from John Bjorlie as he will be taking part in the outreach during our time with the GVCF. Team members can also look forward to regular times of prayer and praise together.

Fellowship

- The team members will have the opportunity to live, sleep, and eat together.
- The team will be working closely with the Garden Valley assembly in evangelism.
- The saints from GVCF will be hosting us as in their own homes.
- This will be an opportunity to serve together in the work of the gospel, particularly with those whom they may not regularly fellowship with.
